JUNIOR HIGH EDITION

Off To a Great Start

We have just made history!

This week, we have laid the foundation for a strong and successful Junior High program, which challenges the mind and nourishes the spirit of each young person in attendance.

Parents, we thank you for entrusting your child to us. We accept that formidable responsibility. Students, we are committed to your safety, happiness, and growth in every area of your life. We will walk alongside of you, and your family this year, through thick and thin, highs and lows, joys and sadness.

Together we will stand, for the strength and development of each student!

Easy Fundraisers

Without spending an extra dime, there are several, easy ways that we would like to ask for your help in raising needed funds for our school. They are:

* **Buy Scrip** - these are gift cards for hundreds of vendors that you are already using. You place an order & pay on Tuesday morning for say, \$50 Arco gas card, you get a \$50 card PLUS a percentage donated back to YOU and our school. You win and we win, too.

* **Shop Schoolpop** first - When you do any online shopping, register first at <http://www.Schoolpop.com>, so that a percentage of your orders will go to benefit our school.

* **SchoolCents** - When you shop at Los Cerritos Center, Stonewood Center, or Lakewood Center, save your receipts. Our school benefits. <http://www.shoponeshopall.com>

* **Save Boxtops** - For every clipped Boxtop for Education we earn 10 cents.

Come Prepared to Class

As we start the second week, all students are expected to come to each class prepared. All needed supplies and books should be brought to each class.

PE uniforms are expected to be brought and worn each class. We have had installed new lockers in the locker room and each student has been (or will be) assigned a locker. They may keep their clothes, locked in their locker. They will need to purchase a pad lock and give a copy of the combination to Coach.

Lunch Menu

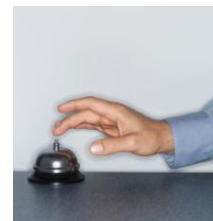

Students who wish to purchase a hot lunch may order in advance on their monthly calendar. Those calendars will go home and should be returned by the last week of the month. In the event a student does not pre-order, they may still order in the morning, with their homeroom teacher. The cost for last minute orders is \$3.75 and must be paid at break-time. Failure to pay at break will result in an IOU and IOU's not paid by the next day will keep a child from placing any further orders until the IOU is paid.
